

BAKING INGREDIENTS

Q Foods Canada manufactures a wide range of flavours, bakery mixes, bases and functional ingredients. All of our Bakery mixes, bases and functional ingredients are made from the highest quality ingredients and we manufacture many of our products from their base components. If you are looking for a Bakery mix, base or functional ingredient, please review our complete product listing. Our bakery mixes, bases and functional ingredients are available in a variety of pack sizes and formats to meet your specific needs.
